

Event & Venue Image Licence

Photographer: Ciaron Walton

Website: cwalton.co.uk

Instagram: @ciaronwalton

Copyright: © Ciaron Walton

Licence

Unless otherwise agreed in writing, photographs supplied by Ciaron Walton following an event are licensed to the receiving venue, promoter or event organiser under the following terms.

The recipient is granted a **non-exclusive, royalty-free, perpetual licence** to use the supplied photographs for:

- The recipient's website
- Organic social media
- Email and newsletters
- Editorial and public relations purposes
- Promotion of the venue, event and future events through the recipient's own channels

The licence applies only to the organisation to which the photographs are supplied.

Copyright

Copyright and all other intellectual property rights in the photographs remain with **Ciaron Walton**.

The supply of digital files does not constitute a transfer or assignment of copyright.

Ciaron Walton retains the unrestricted right to use the photographs for his own portfolio, website, social media, exhibitions, competitions, editorial purposes, publication and promotion of his photography.

Third-party use

This licence does not permit photographs to be supplied, licensed or transferred to third parties for their own use.

This includes artists, artist management, record labels, sponsors, commercial partners, publications and other organisations.

Third parties wishing to use an image should contact Ciaron Walton directly to arrange an appropriate licence.

Sharing, tagging and reposting through the normal functionality of social media platforms is permitted.

Commercial use

Unless separately agreed in writing, this licence does not include use of the photographs for:

- Paid advertising or sponsored campaigns
- Merchandise or products offered for sale
- Product packaging
- Resale or redistribution
- Stock photography libraries
- Licensing or sublicensing to third parties

Additional commercial usage may be licensed separately.

Editing & alteration

Reasonable cropping, resizing, formatting and colour-space conversion necessary for the permitted uses are allowed.

Photographs must not otherwise be materially altered or manipulated without prior permission. This includes substantial changes to colour or composition, application of filters, removal or addition of elements, or other modifications that materially change the appearance of the photograph.

Artificial intelligence

Photographs may not be used to train or develop artificial intelligence or machine-learning systems, included within training datasets, or used as source material for generative AI without prior written permission.

Licence conditions

This licence applies only to photographs supplied by Ciaron Walton to the recipient and only for the uses described above.

Any use outside these terms requires prior written permission from Ciaron Walton and may require a separate commercial licence.
